

**Dominique Dumas assisted the sellers in the sale of 100% of PLASTIQUES RHONE ALPES DECOR
(PRAD)**

PRAD is a company specialized in the decoration of products destined for the luxury market (glass or metal bottles, plastic stoppers, bottles, tumblers, table art, writing instruments or jewellery). To realize the completions of these articles, the company PRAD has mastered many technologies: vacuum metallization, lacquering, varnishing or Pistoletage UV or PU, serigraphy, silkscreen embossing, tampon printing, hot stamping, laser finish and METALIGHT® technology.
